Downunder Literature: Providing homeschooling resources of enduring value

You have just downloaded a free homeschool resource from Downunder Literature.

For more resources please visit our website <http://www.downunderlit.com>.

This resource is under copyright to Downunder Literature. Permission is given for private and non commercial use by homeschoolers, teachers and parents.

We want to serve homeschoolers, teachers and parents by giving them access to distinctly Australian and New Zealand books and resource materials. On our site you will find original products for sale and free educational resources. All our products can be found on our product list and resource index.
